Sir:

By a NOTICE of 20 September 2010, the Petition's Examiner has dismissed the paper-filed July 19, 2010 under 37 CFR 1.28(c) seeking status as a large entity. The basis for the dismissal was that the request was not signed by an appropriate person.

The undersigned attorney of record, appointed in compliance with 1.34(b), hereby wishes to advise the USPTO that LARGE ENTITY status applies with respect to the maintenance fee due on 16 July 2010.

The additional payment of \$490.00 by Dennemeyer & Co. Ltd. on 19 July 2010 to be charged to their deposit account represents the deficiency payment (the difference between a Small Entity and a Large Entity) and should be credited as payment in full against the first maintenance fee due on the subject patent.

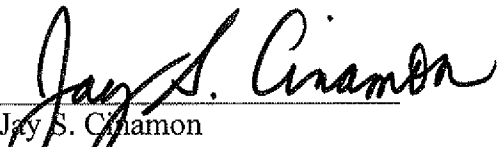

(over)

Appropriate confirmation that the entire first Maintenance Fee has been paid as a large entity is requested.

Respectfully submitted,
